2024 ACL CONFERENCES

The Association for Computational Linguistics (ACL) provides the preeminent forum for dissemination of the latest developments in computational linguistics and natural language processing. In recent years, ACL conferences have enjoyed a growth spurt. We estimate that ACL and EMNLP will attract 3,000–4,000 attendees, with half attending in person at ACL and one third attending in person at EMNLP. We estimate EACL and ACL will attract up to 1,500–2,000 attendees. The ACL will host the following ACL-related conferences this year:

- EACL will be in Malta from March 18–22
- NAACL will be Mexico City, Mexico June 16–21
- ACL will be in Bangkok, Thailand August 11–16
- EMNLP will be in Miami, Florida November 12–16

This document summarizes sponsorship opportunities for the 2024 conferences. The ACL also offers “Multi-packs” which, for a single payment, gives access to sponsorship opportunities at multiple conferences of your choice. Multi-pack sponsorships give a 15% discount for sponsoring 2 conferences and a 20% discount for sponsoring 3 or more conferences. Multi-pack sponsorships are an easy opportunity for global presence in the leading conferences on natural language processing.

ACL also offers several other opportunities like sponsorship of social events and welcome receptions, and opportunities to support our Diversity & Inclusion (D&I) initiatives.

DIVERSITY & INCLUSION

You can help the ACL with its diversity and inclusion efforts. Your sponsorship funds will be provided to the conference D&I chairs and used for outreach efforts.

ACL Sponsorship Conflict of Interest Policy

Following the ACM Conference on Fairness, Accountability, and Transparency (ACM FAccT), ACL has adopted the following sponsorship policy.

To ensure the independence and integrity of the conference, sponsors have no say over the paper selection process, tutorial selection process, choice of invited speakers, the composition of conference are determined independently by the program committees and/or conference organizers.

The ACL will always acknowledge our sources of financial support.

The ACL will always disclose the benefits that funders receive as a condition of their contributions.

Sponsors can only contribute to a general fund; they cannot specify how their contributions are spent, with the following exceptions:

1. Sponsors are allowed to contribute toward a specific workshop hosted by an ACL conference.
2. Sponsors are allowed to contribute directly toward specific focus areas that are documented in our sponsorship booklet, with a recent example being sponsorship for Diversity and Inclusion efforts at conferences.

As one of the sponsor benefits, a Participant List may be requested by sponsors at any time and this list will contain name/email/affiliation, and country. Additionally, a separate list of those attendees wanting to talk with sponsors about employment opportunities will be made available. In both cases, inclusion in these lists is at the attendee's option. The lists may not be used for advertising or solicitation purposes.
